PIECE

Remember the time when you've already full as hell in those family feasts, office gatherings, and wedding parties, but you still grab another bowl of dessert (read: es-esan) just because you couldn't resist.

Nostalgic feelings aside, shaved the ice, sprinkle rainbow-colored toppings, open the folding chair, create your very own party and prepare for the sugar rush!

# MAIN CONCEPT

EVERY

Kiya was born with the idea of a crowd in mind. From hotel hall functions, classroom lectures to family dinners, Kiya complements EVERY moment whether it's for a big get-together or for one unexpected special guest Kiya can be your main chair or spare chair, making the room merrier all the way.

# KIYA CHAIR

## DINING WITH ARM

Kiya Dining Chair is a foldable seat that can carry you through **EVERY** minute. It is never an ordinary encounter if you take a closer look and find the subtle details on the metal structure, weaving on the back, and small handle at its top.
