EVERY

PIECE

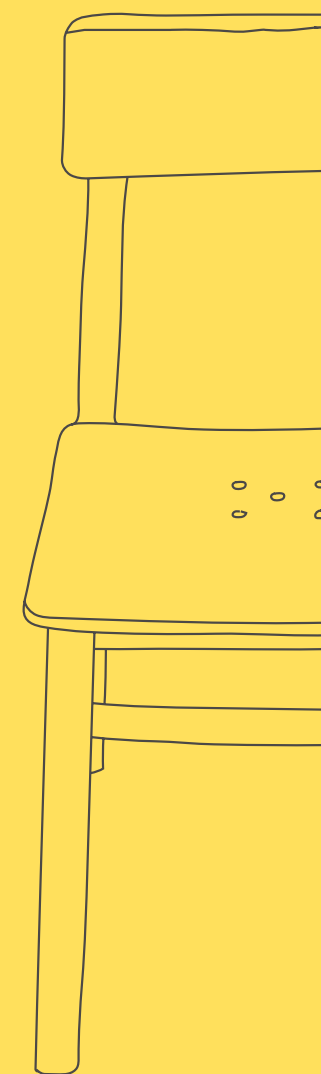

Remember when you scribbled those little circles on the test paper in your boring classroom, and all you wanted to do is to break your pencil (read: pencil 2B) into pieces while your head is about to explode?

Nostalgic feelings aside, now you know the most important things in life are not learned inside the classroom, let's bring those chairs outside where life really happens

MAIN

CONCEPT

EVERY

Bringing you back to your fondest school day memories, our Skhola Chair resembles the typical wooden chairs you'd find in a chalkboard classroom but without the pain from its hard angles.

SKHOLA CHAIR

LOUNGE

Skhola also comes in lounge chair variation. Its simple form, which was born out of functionality and maximum comfort, blends perfectly in any environment and supports any furniture. What's more exciting than lounging and relaxing in this familiar chair that once we might avoid so much?
